

What is the BSA?

The BSA is a non-profit making organisation which organises and encourages opportunities for friendship, fellowship and fun for its membership.

Run by a voluntary committee comprising parents, staff and old scholars, the association also helps to promote and support Bootham School, helping at open mornings, welcome events for new parents, and at other events in the school calendar. In addition, the BSA runs a programme of social and sporting events where members are able to use the excellent facilities available throughout the school.

How do I Become a Member?

All parents and guardians of current Bootham School pupils (Junior and Senior) are encouraged to be members. There is an annual charge of £10.00 per family which is added to the invoice for the autumn term. Families not wishing to be members should advise the Bursar. Funds are used to help with the running costs of events and activities. Funding of special projects by the staff and children is also supported.

What is the Discount Scheme?

The BSA runs a discount scheme. Certain businesses in York give a discount on goods or services provided to BSA members on production of a membership card. You can pick up a membership card during coffee and croissants on a Saturday morning. To see a current list of participating stores and businesses in York please look on the parent portal. This list is reviewed annually. If you would like your business to be included, please contact the Chair.

Can I Join the Committee?

If you are interested in the work of the BSA and would like to help, please get in touch with one of the people listed below who would be delighted to talk to you.

The BSA is separate from the Bootham School Trust, the aim of which is to create funds to support bursaries and capital projects for the school. The activities of the BSA and the Trust may sometimes be combined to support the Trust's fundraising efforts.
