Activities Brochure
Autumn Term
2021

The Activities Programme

The following pages have your options for Activities this term.

You need to choose **THREE** activities that are **not preps**. On the other nights you may either do more activities, a prep session or go home.

Boarders may have **ONE** night going back to the boarding house a week (on any night).

Music Practice

On a night when you have not selected an activity you may sign up for a half an hour music practice slot. For the other half hour you will need to go to prep.

How to choose your activities.

1. Look through the list and find the activities you would like to do.
2. Once choosing starts (Tuesday 14th in P2) login to the Portal and select your choices. There is a video showing you how on the Portal.
3. Make sure you save your choices and check that you have at least 3 activities. (Prep and music practice do not count).
4. Look out for the confirmation email saying what activities you have.

When activities start there will be a list in your Common Room showing which room your activities are in.
