CHALLENGE

Bronze Award

Activities Brochure
Spring Term
2022

The Activities Programme

The following pages have your options for Activities this term.

You need to choose **THREE** activities that are **not preps**. On the other nights you may either do more activities, a prep session or go home.

Boarders may have **ONE** night going back to the boarding house a week (on any night).

Music Practice

On a night when you have not selected an activity you may sign up for a half an hour music practice slot. For the other half hour you will need to go to prep.

How to choose your activities.

1. Look through the list and find the activities you would like to do.
2. For some activities you can sign up early. These are shown as **Spaces can be requested**. You can ask for a space on these from now until Thursday at 4pm. They will then be fairly distributed.
3. Once choosing starts (Friday at morning break) login to the Portal and select your choices. There is a video showing you how on the Portal.
4. Make sure you save your choices and check that you have at least 3 activities. (Prep and music practice do not count).
5. Look out for the confirmation email saying what activities you have.

When activities start there will be a list in the English Corridor showing which room your activities will be in.

BOOTHAM
CHALLENGE

What is the Bootham Challenge?

The Bootham Challenge is to live life to the full, gaining skills across a wide range of disciplines. This award scheme allows you to demonstrate to others that you have these skills and also to challenge yourself to experience new things.

You are enrolled on the **Bronze Award** and you have the whole of Lower Schoolroom to complete the challenge. The Bootham Challenge has seven categories.

Physical	Creative	Cultural	Skills	Volunteering and Service	Global Citizenship	Leadership
----------	----------	----------	--------	-----------------------------	-----------------------	------------

Everything you do will score credits in one or more of the categories. This includes Activities, other School events and out of school hobbies.

To achieve the Bronze Award you need to score 250 credits over the year across at least four of the categories.

Each activity has its credits shown in the following menu and you can add other evidence via the Student Portal using the link below. You can also check your current credits.
