

**BOOTHAM
CHALLENGE**

Platinum Award

College II

Activities Brochure
Spring Term
2022

The Activities Programme

The following pages have your options for Activities this term.

You need to choose a minimum of **one** activity. This is in addition to specials on a Tuesday. College II will do activities up to half term. After your mocks you can use the time to study unless it is a commitment (like sports teams, music, production ,astronomy etc)

On nights that you don't have an activity you may either work in the College areas or go home at 4pm.

How to choose your activities.

1. Look through the list and find the activities you would like to do.
2. For some activities you can sign up early. These are shown as **Spaces can be requested**. You can ask for a space on these from now until Thursday at 4pm. They will then be fairly distributed.
3. Once choosing starts (Friday at morning break) login to the Portal and select your choices. There is a video showing you how on the Portal.
4. Make sure you save your choices and check that you have at least 3 activities. (Prep and music practice do not count).
5. Look out for the confirmation email saying what activities you have.

When activities start there will be a list in the English Corridor showing which room your activities will be in.

Challenge Courses

If you want something to really stretch you and looks great on your UCAS form then opt for a **Challenge Course**.

These are 8 week courses in a variety of different areas. They are taught by experts in the field and aim to broaden your curriculum.

Each course will be assessed at the end and you will be awarded on the scale of pass, merit or distinction. The assessments vary depending on the course but they could be written, based on a presentation or practical.

You should aim to take at least 3 challenge courses over your time in college. They are especially useful if you are looking for something to broaden your UCAS form or CV and can give you experience in key areas.

Full details of all the courses are in the back of this booklet as well as in the main Activity Menu. You sign up for them in the usual way.

BOOTHAM
CHALLENGE

What is the Bootham Challenge?

The Bootham Challenge is to live life to the full, gaining skills across a wide range of disciplines. This award scheme allows you to demonstrate to others that you have these skills and also to challenge yourself to experience new things.

You are enrolled on the **Platinum Award** and you have the whole of College to complete the challenge. The Bootham Challenge has seven categories.

Physical	Creative	Cultural	Skills	Social Action	Global Citizenship	Leadership
----------	----------	----------	--------	---------------	-----------------------	------------

Everything you do will score credits in one or more of the categories. This includes Activities, other School events and out of school hobbies.

To achieve the Platinum Award you need to score 200 credits over the year across all of the categories.

Each Activity has its credits shown in the following menu and you can add other evidence via the Student Portal. Here, you can also check on your progress.

<https://portal.boothamschool.com/challenge>

Monday Activity Hour

Astronomy GCSE

The group is already set up from last year, so unfortunately unavailable to other students. Please sign up for either Monday or Tuesday AND Friday.

Steve Everest
14 spaces

Beauty and the Beast

Show rehearsals. You must sign up for Monday and Friday.

Andrew Quarrell
75 spaces

Disney Appreciation Society

Are you a lover of all things Disney? From songs to characters, come test your knowledge with quizzes and film clips.

Amy Higgins
15 spaces

F is for Feminism

A safe space for everyone to discuss topics of gender equality, feminism and other social issues, a creative environment to learn and voice opinions. (Open to student led sessions!)

Jessica Hargreaves
15 spaces

Fantasy Illustration

We'll be taking excerpts from popular fantasy novels and using them to create illustrative art. From Harry Potter to The Witcher, design scenes and characters just the way you imagine them!

Emma Stimpson
15 spaces

Fashion Runway Challenge

Think Ru Pauls Drag Race and Project Runway combined! Every term you will be given a theme and in teams, you will create a 'runway' look which will be judged by a guest panel on your creative interpretation! We will do some fabric dyeing, basic sewing techniques on the way, as well as thinking about sustainability and recycling in fashion!

Jade Blood
12 spaces

Greenpower Car

The challenge is to build a car that can be raced in June, from a design created by College Students.

Htoon Aung
12 spaces

Natural History Club

Delve into the world of Natural History. Discover species around school, set up moth traps, make bird boxes. Look at insect diversity and generally follow the changing of the seasons.

Robert Gardiner
12 spaces

Politics, Economics and Business Society

Interested in learning about the gender-pay gap? Why do 1 in 5 UK households live in poverty? Will robots take jobs? What went wrong in Afghanistan? Join us for lively debate and help set up a debating competition.

Shazma White
12 spaces

Challenge Course

See the back of the booklet for full details.

Rhetoric and Formal Debate Skills

Rhetoric and debate are the tragically dying arts of persuasion and effective communication. Frustrated with angry futile internet feuds? Want to learn why politicians get away with so much? Come along to learn the theory and hone your skills!

Bekah Atkins
15 spaces

Additional credits are earned for gaining a pass, merit or distinction.

Swim Coaching

Must be able to swim 100 metres Breaststroke, 100 metres Backstroke, 100 metres Frontcrawl, tread water for 3 minutes and be confident with diving.

Michelle Gatenby
20 spaces

Monday 5:45pm to 7pm

U15-19 Basketball Training

Team training.

Andrew Bell
20 spaces

Tuesday Activity Hour

Riding

Learn to ride a horse! It does not matter if you have ridden before- beginners are welcome. We generally have a beginners group and an intermediate group riding at the same time. This term we will be riding at York Riding School. We will leave school at 4:10 on Tuesday afternoon and ride from 4:30 to 5:20, we should get back to school by 5:45, traffic permitting. You will need to wear clothes you don't mind getting dirty and a boot with a 1-2cm heel (or wellies). The riding school can provide hats and has a few pairs of boots that can be borrowed, but mainly in smaller sizes. College may ride when not at specials.

Cathy Rowell
12 spaces
Spaces can be requested
£20.00 per week

Wednesday Activity Hour

Archaeology Club

Come along and join the archaeology club for a deep dive into the past. Make a paper mache canopic jar, a diorama of an Egyptian tomb, write with Roman ink and make medieval gingerbread.

Georgia Harland
10 spaces

Art Department Publication

We will be creating an end of year magazine featuring the artworks of Upper Seniors and College, this will be published professionally, showcasing our budding artists here at Bootham!

Jessica Hargreaves
15 spaces

Beauty and the Beast - Crew

Be part of the production team for Beauty and the Beast! This is going to be a big production so all hands needed on deck for designing, constructing and painting set, designing and building sound systems and lighting. All those wanting to be part of Front of House too, please sign up.

Luke Gilliver
30 spaces

Bikes in Need

Bikes in Need. An activity to support a local charity called Bikes In Need. By doing this activity you will learn: bike maintenance and social entrepreneurship. How can we, as a school, help Emma Frost raise funds, source, collect, restore and distribute bikes and publicise this charity? This will involve working with Emma and may include work on social media, fundraising, logistics (collection, storage and distribution of the bikes to refugees and homeless in York.) See Martyn Beer for further details.

Miniverse

Ever wondered what it would be like to create your own world? In this activity, we will be designing, building and sculpting our own miniverse. Each week we will work on different areas and inhabitants for our mini world, depending on how we want to design it – this could include a theme park area, a Diagon Alley-style high street, an alien-invaded region – the world is your oyster! Eventually all of our elements will be combined to create the ultimate, crazy, super-personalised mini world of your wildest dreams.

Challenge Course: Rhetoric and Formal Debate Skills

Led by:
Bekah Atkins

When:
Monday Activity Hour

Course outline:

Rhetoric is the art of persuasion, or the attempt to influence another person with your words. Rhetoric is being used all the time - by politicians, journalists, lawyers, companies trying to sell you stuff, even me, right now in this activity description. The fact that everyone is using rhetoric means the ability to spot it, unpack it, and use it is like having a modern day super power. Want to understand why so many people voted for Donald Trump? Why some people literally get away with murder? Why Greta Thunberg is so popular? Want to know how to use the art of persuasion yourself to change the world? This is the club for you!

Course Assessment:

You will be assessed based on your debating skills.

Why should you do it?

Debating and persuading are key skills. Having them will make you more confident in public speaking and also prepare you to express yourself in interviews.

Additional Bootham Challenge Credits

	Physical	Creative	Cultural	Skills	Volunteering and Service	Global Citizenship	Leadership
Pass		2	2	2		2	2
Merit		4	4	4		4	4
Distinction		6	6	6		6	6

Note—You may only take each Challenge Course once!

Challenge Course: Programming in Python

Led by:
James Ratcliffe

When:
Wednesday Activity Hour

Course outline:

A beginner's guide to programming in Python. Over the course you will learn the basic concepts required to program in any language such as variables, loops, functions and conditional statements. We will create simple programs and games to test the skills.

Course Assessment:

You will be given a final programming assignment where you will be expected to create a program to solve a given problem. Your grade will depend on the performance and features of this solution.

Why should you do it?

A great course for anyone considering Computer Science, Electronics or Mathematical based courses at University. It is also good for anyone who would like to be a little more hands on with computers as Python can be used in everything from home automation to web systems.

Additional Bootham Challenge Credits

	Physical	Creative	Cultural	Skills	Volunteering and Service	Global Citizenship	Leadership
Pass		5		5			
Merit		10		10			
Distinction		15		15			

Note—You may only take each Challenge Course once!

Challenge Course: Student Cooking

Led by:
Jodie Donovan

When:
Wednesday Activity Hour

Course outline:

Learn to cook basic meals and also stick to a tight budget. During the course you will be planning, making and eating meals as well as doing the shopping!

Course Assessment:

As a group you will plan, shop, prepare and serve a three course meal for a group of VIPs.

Why should you do it?

Learn great life skills ready for University and beyond.

Additional Bootham Challenge Credits

	Physical	Creative	Cultural	Skills	Volunteering and Service	Global Citizenship	Leadership
Pass		5		5			
Merit		10		10			
Distinction		15		15			

Note—You may only take each Challenge Course once!

Challenge Course: First Aid

Led by:
Alison Webster

When:
Thursday Activity Hour

Course outline:

Learn key lifesaving skills in a practical way. You never know when they may come in useful!

Course Assessment:

You will have a practical assessment by a member of the Heath Centre staff at the end of the course.

Why should you do it?

First aid is an essential skill for anyone to have. It is also very suitable for those wanting to go into the caring professions such as health or education.

Additional Bootham Challenge Credits

	Physical	Creative	Cultural	Skills	Volunteering and Service	Global Citizenship	Leadership
Pass				5	2	1	2
Merit				10	4	2	4
Distinction				15	6	3	6

Note—You may only take each Challenge Course once!
