Activities Brochure
Summer Term
2022

The Activities Programme

The following pages have your options for Activities this term.

You need to choose **TWO** activities that are **not preps**. On the other nights you may either do more activities, a prep session or go home.

Boarders may have **TWO** nights going back to the boarding house a week (on any night).

Music Practice

On a night when you have not selected an activity you may sign up for a half an hour music practice slot. For the other half hour you will need to go to prep.

How to choose your activities.

Look through the list and find the activities you would like to do.

For some activities you can sign up early. These are shown as EARLY RELEASE. You can ask for a space on these from now until Monday at 6pm. They will then be fairly distributed.

Once choosing starts (Friday at morning break) login to the Portal and select your choices. There is a video showing you how on the Portal.

Make sure you save your choices and check that you have at least 3 activities. (Prep and music practice do not count).

Look out for the confirmation email saying what activities you have.

When activities start there will be a list in the English Corridor showing which room your activities will be in.

BOOTHAM
CHALLENGE

What is the Bootham Challenge?

The Bootham Challenge is to live life to the full, gaining skills across a wide range of disciplines. This award scheme allows you to demonstrate to others that you have these skills and also to challenge yourself to experience new things.

You are enrolled on the **Gold Award** and you have the whole of Seniors to complete the challenge. The Bootham Challenge has seven categories.

Physical	Creative	Cultural	Skills	Volunteering and Service	Global Citizenship	Leadership
----------	----------	----------	--------	-----------------------------	-----------------------	------------

Everything you do will score credits in one or more of the categories. This includes Activities, other School events and out of school hobbies.

To achieve the Gold Award you need to score 250 credits over the year across least six of the categories.

Each activity has its credits shown in the following menu and you can add other evidence via the Student Portal using the link below. You can also check your current credits.

Put on a Play

Lets put on a play! It's time for those of you who love Drama but don't want to sing and dance in the big production to show off your acting skills. This activity will include intensive rehearsals as we aim to put on a performance of the play 'Knots & Crosses' by Malorie Blackman any Dominic Cooke. Lets bring in the summer holidays with our own rendition of this electrifying and bittersweet love story set in a divided society. It is likely that rehearsals for this activity will be extended beyond the usual activity times. Students involved should be ready to commit to the extra time required to put on a play. This activity will run on two days a week - Monday/Friday. You must choose it for both of those days.
