Activities Brochure
Summer Term
2022

The Activities Programme

Activities are voluntary for College II this term but you may wish to sign up for some as a bit of light relief!

Sign up for any that you want to do in the usual way.

How to choose your activities.

1. Look through the list and find the activities you would like to do.
2. For some activities you can sign up early. These are shown as **EARLY RELEASE**. You can ask for a space on these from now until Monday at 6pm. They will then be fairly distributed.
3. Once choosing starts (Friday at morning break) login to the Portal and select your choices. There is a video showing you how on the Portal.
4. Make sure you save your choices and check that you have at least 3 activities. (Prep and music practice do not count).
5. Look out for the confirmation email saying what activities you have.

When activities start there will be a list in the English Corridor showing which room your activities will be in.

BOOTHAM
CHALLENGE

What is the Bootham Challenge?

The Bootham Challenge is to live life to the full, gaining skills across a wide range of disciplines. This award scheme allows you to demonstrate to others that you have these skills and also to challenge yourself to experience new things.

You are enrolled on the **Platinum Award** and you have the whole of College to complete the challenge. The Bootham Challenge has seven categories.

Physical	Creative	Cultural	Skills	Social Action	Global Citizenship	Leadership
----------	----------	----------	--------	---------------	-----------------------	------------

Everything you do will score credits in one or more of the categories. This includes Activities, other School events and out of school hobbies.

To achieve the Platinum Award you need to score 200 credits over the year across all of the categories.

Each Activity has its credits shown in the following menu and you can add other evidence via the Student Portal. Here, you can also check on your progress.
