FURTHER INFORMATION

Navy trousers and school shorts bought from high street retailers should be a classic school fit (not bootleg, skinny, jersey or cargo style) and should avoid extra embellishments on pockets or zips.

With the exception of stud earrings or watches, items of jewellery are not considered appropriate unless there are exceptional circumstances. In P.E. sessions our policy is that children must remove watches and all earrings. Hair should be secured from falling into the face at all times and tied back if collar length or longer. Hair should be kept its natural colour and all accessories should be **Cambridge Blue** or **Navy**.
