2023

The Activities Programme

The following pages have your options for Activities this term.

You need to do a minimum of **one hour** of activities that are **not preps**. These could be in activity hour or in one of the other slots. Break, lunch and before school activities count as half an hour unless stated.

On nights where you are not doing an activity you may leave at 4pm. Boarders may return to your houses at 4:15pm.

Music Practice

On a night when you have not selected an activity you may sign up for a half an hour music practice slot. For the other half hour you will need to go to prep.

How to choose your activities.

Look through the list and find the activities you would like to do.

Once choosing starts (**Tuesday at 1:30pm**) login to the Portal and select your choices. There is a video showing you how on the Portal.

Make sure you save your choices and check that you have at least 1 hour of activities. (Preps and orals do not count).

Look out for the confirmation email saying what activities you have.

When activities start there will be a list in the English Corridor showing which room your activities will be in.

All Activities need to be chosen by:

Thursday at 9:10am

BOOTHAM
CHALLENGE

What is the Bootham Challenge

The Bootham Challenge is to live life to the full, gaining skills across a wide range of disciplines. This award scheme allows you to demonstrate to others that you have these skills and also to challenge yourself to experience new things.

You are enrolled on the **Gold Award** and you have the whole of Seniors to complete the challenge. The Bootham Challenge has seven categories.

Physical	Creative	Cultural	Skills	Volunteering and Service	Global Citizenship	Leadership
----------	----------	----------	--------	-----------------------------	-----------------------	------------

Everything you do will score credits in one or more of the categories. This includes Activities, other School events and out of school hobbies.

To achieve the Gold Award you need to score 300 credits over the year across least six of the categories.

Each activity has its credits shown in the following menu and you can add other evidence via the Student Portal using the link below. You can also check your current credits.

Medieval Bookmaking

Learn how to make books in the style of a medieval manuscript! Each week we will work our way through making books in a medieval style. This can include crafting, creative writing, and drawing depending on how you would like to make your book. There is a lot of room for creativity: you can either stick to an authentic medieval style, or you can put your own twist on it.

Production Rehearsals that lead to a final performance later in the school year. Our Production will be of a West End Musical show and will involve drama, singing, music and dance. All abilities are welcome in these areas and our school production in recent years has been a highlight of the school year. Definitely an experience you will remember forever and not to be missed. Please note that school production runs on two different activity evenings (Monday and Friday). You will need to choose it for both. Our performance dates take place during the second term. This means students choosing this activity are required to choose it next term as well. It is also the case that rehearsal times will extend later than the usual activity times. This will not happen right away and you will be informed of this via the production rehearsal schedule.
