

Expeditions Days 2024

Wednesday 3rd July
& Thursday 4th July

At the end of term we are giving you the chance to unwind, experience new things and spend some time with your friends.

Why not try something new or pick one of the days that helps the local area?

Perhaps go somewhere you've never been before or do something you have always wanted to do.

There are plenty of options so there is bound to be something that you will really enjoy.

You will need to choose either a residential activity or an expedition for Wednesday and Thursday.

A lot of the expeditions have a cost so discuss this with your parents before making your choices.

You will choose a first, second and third choice for each day and could get any of them so make sure you choose expeditions you want to do.

How to choose?

- Discuss with your parents and make sure they agree to any approximate costs.
- Visit [bootham.am/expeditions](https://www.bootham.am/expeditions) and complete the online form by **Sunday 10th March**.
- Spaces will then be fairly allocated and your parents will be asked to agree to any costs.

Bootham Challenge Credits

Each Expeditions Day comes with Bootham Challenge credits. If you have already received your award this year the credits will transfer to your next award in September.

Two Day Expeditions

Residential

London Theatre

Experience London theatre life! Tickets to West End productions, evening meals, a workshop with West End Professionals and a back stage tour. Stay in a central London hotel with breakfast provided.
