BOOTHAM
CHALLENGE

What is the Bootham Challenge?

The Bootham Challenge is to live life to the full, gaining skills across a wide range of disciplines. This award scheme allows you to demonstrate to others that you have these skills and also to challenge yourself to experience new things.

You are enrolled on the **Gold Award** and you have the whole of Seniors to complete the challenge. The Bootham Challenge has seven categories.

Physical	Creative	Cultural	Skills	Volunteering and Service	Global Citizenship	Leadership
----------	----------	----------	--------	-----------------------------	-----------------------	------------

Everything you do will score credits in one or more of the categories. This includes Activities, other School events and out of school hobbies.

To achieve the Gold Award you need to score 300 credits over the year across least six of the categories.

Each activity has its credits shown in the following menu and you can add other evidence via the Student Portal using the link below. You can also check your current credits.
