CHALLENGE**

Silver Award

Middle Schoolroom

Activities Brochure
Summer Term
2025

The Activities Programme

The following pages have your options for Activities this term.

You need to do a minimum of **three hours** of activities that are **not preps**. These could be in activity hour or in one of the other slots. Break, lunch and before school activities count as half an hour unless stated.

On nights where you are not doing an activity you may leave at 4pm. Boarders may return to your houses at 4:15pm.

Music Practice

On a night when you have not selected an activity you may sign up for a half an hour music practice slot. For the other half hour you will need to go to prep.

How to choose your activities.

1. Look through the list and find the activities you would like to do.
2. Once choosing starts (**Tuesday start of lunch**) login to the Portal and select your choices. There is a video showing you how on the Portal.
3. Make sure you save your choices and check that you have at least 3 hours of activities. (Preps do not count).
4. Look out for the confirmation email saying what activities you have.

When activities start there will be a list in the English Corridor showing which room your activities will be in.

All Activities need to be chosen by:

Thursday at 9:15

What is the Bootham Challenge?

The Bootham Challenge is to live life to the full, gaining skills across a wide range of disciplines. This award scheme allows you to demonstrate to others that you have these skills and also to challenge yourself to experience new things.

You are enrolled on the **Silver Award** and you have the whole of Middle and Upper Schoolroom to complete the challenge. The Bootham Challenge has seven categories.

Physical	Creative	Cultural	Skills	Volunteering and Service	Global Citizenship	Leadership
----------	----------	----------	--------	-----------------------------	-----------------------	------------

Everything you do will score credits in one or more of the categories. This includes Activities, other School events and out of school hobbies.

To achieve the Silver Award you need to score 400 credits over the two years across at least four of the categories.

Each activity has its credits shown in the following menu and you can add other evidence via the Student Portal using the link below. You can also check your current credits.
