

**BOOTHAM
CHALLENGE**

Platinum Award

College II

Activities Brochure
Spring Term
2026

The Activities Programme

The following pages have your options for Activities this term.

During this term you are not required to do activities. However, you must keep your school commitments (eg sport, music, drama) and you may sign up to activities if you would like.

How to choose your activities.

1. Look through the list and find the activities you would like to do.
2. Once choosing starts (Tuesday from 1:10pm) login to the Portal and select your choices. There is a video showing you how on the Portal.
3. Make sure you save your choices
4. Look out for the confirmation email saying what activities you have.

When activities start there will be a list in the English Corridor showing which room your activities will be in.

All Activities need to be chosen by:

Thursday at 9:15

BOOTHAM
CHALLENGE

What is the Bootham Challenge?

The Bootham Challenge is to live life to the full, gaining skills across a wide range of disciplines. This award scheme allows you to demonstrate to others that you have these skills and also to challenge yourself to experience new things.

You are enrolled on the **Platinum Award** and you have the whole of College to complete the challenge. The Bootham Challenge has seven categories.

Physical	Creative	Cultural	Skills	Social Action	Global Citizenship	Leadership
----------	----------	----------	--------	---------------	-----------------------	------------

Everything you do will score credits in one or more of the categories. This includes Activities, other School events and out of school hobbies.

To achieve the Platinum Award you need to score 200 credits over the year across all of the categories.

Each Activity has its credits shown in the following menu and you can add other evidence via the Student Portal. Here, you can also check on your progress.

Heritage Creatives

York is an ancient city full of stories and heritage, told through its landscape, buildings, and people. In these sessions, we will explore York's history through artistic and creative practise. In each session, we will review a different subject based around York's History, such as: The York Minster Doomsday Windows, York Ghost Stories, Guy Fawkes, Joseph Rowntree and more. We will use different creative techniques involving drawing, writing, poetry and art to explore these subjects and our relationship to them

Eleanor Stephenson

Photography Club : Bootham Photo Walks

Come and discover the joys of walking outdoors in fresh air after school for your activity and make sure to capture the moments. In January and February, we can still play with the themes of darkness and cold but from early March we can enjoy watching nature and York waking up to Spring and appreciate slightly lighter days in the afternoon. We walk locally as a group, learn to respect our environment and the people around us in the city, all whilst taking pictures. We may stop for a quick hot chocolate fix on the way ! If the weather is not suitable, we go to MFL Media and look at the work of the most famous photographers in the world for inspiration.exhibition to celebrate your work. It is about you, expressing your individuality and how you see your school and its community

Bootham Aerospace and Robotics Club

This is a creative space to explore rocket science and space travel. We look at how real missions from NASA and SpaceX work, then apply those ideas to our own projects. You can work on drones, rovers, satellite-style models and more using coding and 3D design tools, while also building the hardware. The club is open to anyone interested in the engineering or the science behind it, no prior knowledge required. Our projects will be inspired by real interplanetary challenges, to give them a purpose beyond Earth

Constantin Fussender and Chloe Molloy

Medical and Dental School Programme

Bootham's Medical and Dental School Programme has got everything you need to get started: Gain understanding of what a medical/dental career is really about: learn what it's like to be a doctor/dentist and the different paths you can take. UCAT prep made easy: tips, tricks, and strategies to prepare for the UCAT exam. Master your interviews: practice for both traditional and MMI interviews so you can feel confident. UCAS support: from writing an impressive personal statement to choosing the right medical/dental schools for you. Find work experience: We'll help you to identify placements to boost your application. Talk medicine with others like you: Opportunities to debate medical ethics, the latest health issues, and meet future med students like yourself
