£30.00 per session

Code Club

Tom Lund

10 spaces

This is a space for creators to make their own way in code and make whatever they want to make in an environment that is not a lesson. With the help of mentors, creators use our free, step-by-step project guides to learn Scratch, Python, HTML/CSS, and more. We will also be taking part in activities such as ASTRO PI where you will write code that will be ran on the international space station!

Cryptography Club

James Ratcliffe

15 spaces

Crack some codes. Each week a new challenge will be set. Can you crack the codes to get into the safe and get the sweet sweet rewards?

I Am An Artist

Eleanor Stephenson

8 spaces

EVERYONE IS AN ARTIST! And in these sessions you'll be able to explore your creativity through varied workshops and exercises, practising in different mediums and contributing to multiple projects. Here, you don't need to know how to draw and paint, you just need an open mind and a willingness to experiment, explore, create and be curious

Lino Printing

Abbie Davison

8 spaces

Learn how to upcycle a tote bag or t-shirt with a homemade stamp or print. We'll learn here how to carve out a lino print, and then how to apply it onto a variety of surfaces, from paper to fabric. Younger students will be lino printing on Polystyrene Sheets for safety
