# The Activities Programme

The following pages have your options for Activities this term.

You need to do a minimum of **two hours** of activities that are **not preps**. These could be in activity hour or in one of the other slots. Break, lunch and before school activities count as half an hour unless stated.

## Music Practice

On a night when you have not selected an activity you may sign up for a half an hour music practice slot. For the other half hour you will need to go to prep.

## How to choose your activities.

Look through the list and find the activities you would like to do.

Once choosing starts (**Friday from 1:10pm**) login to the Portal and select your choices. There is a video showing you how on the Portal.

Make sure you save your choices and check that you have at least 2 hours of activities. (Preps do not count).

| <b>Rock Band</b><br>Two bands made up of singing, guitar, bass, keyboard and drum students learning to play and perform together. There will be a Junior band for a group of students in Lower, Middle and Upper Schoolrooms (grades 1-3) and a Senior band for a group in Seniors and College (grades 3-5+). We will focus on learning how to play as an ensemble, how to learn/teach songs as a group and performance practice, as well as of course preparing for concerts! Although the activity is called 'Rock Bands' this is just a starting point, and you will decide what genres of music you want to play.                                                                                      | Jake Adams<br>10 spaces                | <table><tr><td>Creative</td><td>Cultural</td><td>Skills</td></tr><tr><td>5</td><td>5</td><td>10</td></tr></table>                                                | Creative | Cultural | Skills   | 5      | 5 | 10 |   |   |   |   |

## Wednesday Activity Hour

### 80s Appreciation Society

The 1980s was a decade of bold music, iconic films, new technology and dramatic global change. From the rise of MTV and arcade games to the politics of the Cold War, the culture of the 1980s was closely connected to wider social and political developments. In 80s Appreciation Club, we will explore the films, music, fashion and ideas of the decade. Alongside the iconic looks, music and media, we will also consider how politics and world events shaped the culture of the time

## Natural History Club

We will look at leaves, trees, ladybirds, tardigrades. We might try some experiments to help pollinate the flowers, press flowers and look to survey the wildlife around school. We will draw some of the animals we find, look for frogs in the wildlife area and consider how best to identify improvements in the school environment to assist wildlife
